👤 PROFILE

Passionate about technologies, i graduated with a computer engineering degree back in 2016. Then i joined a company located in Nepal and did some projects using PHP,JavaScript,HTML and CSS for about 6 months before coming to Japan. In japan i graduated from a Japanese language school and joined a restaurant service field. Recently, I graduated from Le Wagon's Web development bootcamp and I have been updating myself and practicing to enhance my skills .
